

TOTAL – USB 100B BRIDGE - MYANMAR

TOTAL S.A. is a French multinational integrated Oil and Gas company and one of the six "Supermajor" oil companies in the world. Its businesses cover the entire Oil and Gas chain, from crude oil and natural gas exploration and production to power generation, transportation, refining, petroleum product marketing, and international crude oil and product trading. TOTAL is also a large-scale chemicals manufacturer. The company has its head office in the TOTAL Tower in La Défense district, west of Paris. The company is listed Euro Stoxx 50 stock market index.

Condition of bridge before refurbishment

Condition of bridge before refurbishment

In February 2014, TOTAL Bridge USB 100B located in Myanmar, was refurbished with ZINGA.

The hot-dipped bridge was in bad condition with several places of corrosion.
