No. 6280

Dt 10-2-2010

Sub:- Empanelment for supply of steel in Public Works Department (B&R) , Punjab of SRMB Srijan Ltd for TMT bars , Structural Steel and zinga coated TMT bars.

Dear Sir

In this connection it is intimated that the competent authority has accorded the approval of SRMB brand of steel in Public Works Department (B&R) , Punjab for their ongoing and upcoming projects . Please note that the above incorporation is subject to the following conditions .

The approved has been accorded subject to the following conditions:

- 1 ISO 9001, ISO :14001 & OHSAS 18001 certification
- 2 Conversion agent of SAIL for TMT Bars .
- 3 BIS License (IS : 1786 & IS : 2062).
4. Minimum 5 years experience in supply of steel to major government department and power projects.
- 5 Minimum turnover of Rs. 250 crores.
- 6 No major cases of non-performance/black listing in government department/project.
- 7 Technology for manufacturing of TMT Bars should be at par with or approved by main producers, viz . Thermax, Tempcore, Turboquench , Stelmor & Evcon.
- 8 Approval may be accorded to standalone rolling units confirming the above criteria. In case of steel units having captive raw material manufacturing facility, facilities other than manufacturing technology satisfying clause 4.1 of IS:1786 2008 approval will not be accorded. If any manufacturer is having captive raw material manufacturing facility through induction furnace route, it would not be considered for approval under any circumstances.
9. Proper lab infrastructure with fully computerized UTM machine for Physical test and spectroscopy for complete chemical tests.
10. Steel should be manufactured with raw materials procured from main producers. Co related documents i. e. Invoice and T. C. Need to be submitted along with consignment documents.

The above pre-qualification norms are adhered to quality assurance of TMT steel will be automatically enforced. This will result in better and longer life of construction projects.
